

[By Air / Magazine Price]

If you refer the magazine price from e-hon website, the price includes tax.

Please calculate **Magazine price(included tax)÷1.05**

(eg) If the price included tax is 658 yen, please calculate like this $658 \div 1.05 = 626.666$.

The price without tax is 620 yen and it will be converted as £10.70
