

[By Ship / Books Price]

If you refer the magazine price from e-hon website, the price includes tax.

Please calculate **books price(included tax) ÷ 1.05**

〈eg〉 If the price included tax is 658 yen, please calculate like this $658 \div 1.05 = 626.666$.

The price without tax is 620 yen and it will be converted as £10.70
